EDUCATION

B.Tech in Computer Science and Engineering AKTU University

08/2024 - Present,

7.53 CGPA

WORK EXPERIENCE

Campus Ambassador – GSSoC

09/2024 – 02/2025, Achievements/Tasks

- Represented the GSSoC program on campus by promoting open-source contributions and increasing student participation in nationwide coding events.
- Actively collaborated with organizers to share feedback, improve visibility, and strengthen community engagement at the campus level.

Young Innovator Intern Scaler School of Technology

06/2024 – 09/2024 · Remote, Achievements/Tasks

- Completed a multi-phase program focused on entrepreneurial thinking, technical growth, and personal branding.
- Built no-code websites, a functional Discord bot, and Chrome extensions to strengthen hands-on development skills.
- Gained experience in sales, referral marketing, and social media strategies while learning leadership and community-building essentials.

ACHIEVEMENTS

- Secured a spot among Top 20 participants in Python Park – The Hackathon organized by Compunnel Inc. (06/2024)
- Achieved 2nd Position in IDEALABX 2.0, a Competition organized by Think AI Club with Team Alpha Vlan (09/2024)
- Qualified up to Round 2 in HackSpire Hackathon conducted by Inderprastha Engineering College (12/2024)
- Participated in the IEEE CS SYP High Impact Zonal Events Grand Finale, representing regional talent (01/2025)
- Participated twice in National Coding League organized by Scaler School of Technology (05/2024 & 07/2024)

PERSONAL PROJECTS

Community Website (04/2025 - Present)

- Designed and developed a responsive web platform for Innovexa to centralize events, technical resources, and community activities for developers and tech enthusiasts across various domains.
- Showcases the community's growing online presence, provides key information about Innovexa, and enables seamless sharing of updates, content, and collaborative opportunities.

Portfolio Website (05/2025 - Present)

- Designed and built a responsive personal portfolio website to present technical skills, featured projects, and development expertise in a clean, professional layout.
- Integrated a dedicated freelance section showcasing services, pricing, and past work to attract potential clients and support professional outreach.
- Implemented contact forms, testimonials, and interactive elements to enhance user experience, build trust, and increase engagement with visitors.
